

CINEMA & LUNCH CLUB GUIDELINES

When can I book for Sunday Cinema and Lunch Club?

- On the Thursday or Friday before the Club date. We can then tell you what film we are seeing, what time to arrive at the Cinema, and what time we expect to go to lunch

Why can't I book earlier?

- Because the cinema does not publish the films or screen times before Wednesday evening

How do you choose which film to see?

- We select a film that we think most members will enjoy. It has to be one that finishes by about 1.00 pm, so that we can start lunch soon after and still finish by about 2.30/3.00 pm

Do I have to book – can I just turn up?

- If you have not booked please do not just turn up.
- We have to tell the cinema and restaurants in advance how many are coming.

What is the current cinema ticket price?

- Grants Vue cinema currently charges £7.99 for all films
- This may change in future. We will let you know when you book if it has changed

How much do I pay for lunch?

- From March 2020, members and carers pay £8.00 each for lunch.
- Lunch will consist of a main course and a drink of choice.

Can I chose anything from the menu?

- Regardless of the actual cost, members & carers pay only £8.00
- However we may request that you order from certain menu items and/or within a certain price range -this will be explained when you book, or when you order at the restaurant
- This is to keep our costs manageable, to be fair to everyone, and also to help the restaurant serve you as quickly as possible.

Can I attend just the Cinema?

- Yes – just say that you are only attending the Cinema when you book.

Can I attend just the Lunch?

- Yes – just say that you are only attending the Lunch when you book.

Do Carers have to book?

- Yes.

Do Carers have to pay?

- Vue does not charge carers for the cinema.
- Carers pay the same discounted amount as members for lunch.

Thank you

February 2020
