

LUNCH CLUB GUIDELINES

When can I book for Sunday Lunch Club?

- Please check your Programme for forthcoming Lunch dates (we will also remind you by text and/or email that Lunch Club is coming soon).
- You will need to book AND choose from range of menu options when you book
- You will usually need to book and choose no later than the Wednesday before the Lunch Club dates . If the arrangements are different, we will let you know

Where will we be having Lunch?

- We will confirm the venue, meeting place and time when you book.

How much do I pay for lunch?

- As at March 2022, members and carers pay £10.00 each for lunch, payable on the day. This is subject to revision as prices are changing
- Lunch will consist of a main course and a drink .

What if I don't turn up?

- We will require you to pay if you book but then don't turn up, as we have to pay a deposit to the pub/restaurant in advance to make a booking

Can I just turn up without booking

- No - if you have not booked, please do NOT just turn up. We have to tell the pub/ restaurant in advance how many are coming and confirm what menus we are booking.

Can I book after the Deadline if I decide to come after all

- There is no guarantee this will be possible, but you can call us to check in case there are still places

Can I chose anything from the menu?

- At the moment, no - we need people to choose from fixed menu when you book
- You can choose a 'reasonably priced' drink which can be alcoholic or non-alcoholic. You can choose another more expensive drink if you purchase it yourself
- This is to keep our costs manageable and to be fair to everyone.

Do Carers have to book?

- Yes.

Do Carers have to pay?

- Yes - Carers pay the same discounted amount as members for lunch.

Thank you
