Booking for activities

- For all activities, you must let us know if you want to attend – by text, email or voicemail– contact details are at the top of this Newsletter.
- Booking deadline: the deadline for booking all regular activities is now 6.00 on the previous Thursday, OR as noted above.
- Despite frequent reminders, some people are **STILL** not being booked in.
- This is discourteous, and may mean you cannot take part, even though you turn up. It is easy to book, and only takes a few minutes!
- If you book and then don't turn up, we reserve the right to charge you if we have paid for your place in advance
- We might close bookings earlier if all places are already taken, so don't wait till the last minute!
